14/09/2007 - New Season Update

The new season will be starting on the 24th September as previously stated. The fixture list and team grid can be downloaded by clicking the link above (if problems viewing I suggest you use the zoom facility on your browser to make it easier to read). 22/08/2007 - New Season

Welcome to the new 2007/2008 Table Tennis Season. The season is scheduled to start w/c 24th September and the forms will be with the club secretaries shortly. This season promises to be tight in all divisions so an excellent year is in store. If you are looking for a team, please feel free to contact info@banburytabletennis.net stating your ability and requirements and we will put you in contact with a suitable club.

After a successful first years trial, we hope to make the website a useful portal to all our members. We will be posting tournament entry forms for download to encourage more entries into our various competitions throughout the season.

We are attempting to get a regular spot in the Banbury Guardian, but due to limited space, it is not always possible for them to publish all the reports we send them. What we will do this year is post every Banbury Guardian report as a downloadable file on this site so it can be viewed in its entirety here, in case it is edited before publication.

When the formation of leagues meeting has been completed, the new fixtures and leagues will be posted on this site immediately. This should happen in the next 2-3 weeks so check back soon.

Last seasons results and news items have been moved to the archive section, so they are still [viewable here](#)

FINALLY - WE WELCOME ANY CONTRIBUTIONS TOWARDS THE SITE - IF YOUR CLUB IS LOOKING FOR NEW PLAYERS, HAS SPECIAL EVENTS LET US KNOW AND WE WILL POST THEM ON THE NEWS PAGES HERE.

Get practicing and we wish you all a successful season!!
