

Ratley A bounced back from last year's relegation to take the Banbury league division 3 title. Led by captain David Lamb, Ratley headed the table from start to finish. Lamb took the individual title with only 2 defeats all season & was well backed up William Heynes & Ben Pick. .

The veteran Conservative trio pushed them all the way but two defeats against Ratley during the season proved. Conservatives secured 2nd place with a 9-1 win over Bodicote E. Les Chappell & Dave Heritage both won trebles & Brain Rogers two, with Alan Smith picking up Bodicote's consolation.

Bodicote F – Toby Electronics led by Grant Washburn enjoyed a successful first season in the league securing 3rd place as well as narrowly losing out in the handicap cup semi final.

Bloxham D's Will Smith remained unbeaten during the season winning 30/30 but his unavailability at crucial times cost him the individual title & meant his side had to settle for 4th place.

Ian Harrison returning to the game after many years led his Millennium G side to a 5th place finish. He ended the season with another maximum as they beat Sibford E 7-3. Youngster Rueben Cox won two.

Following last week's AGM, the league is still seeking a secretary & a coaching officer. Anyone interested should contact any committee member. Visit www.banburytabletennis.com
